# Academy Website

[www.greenlanemiddlesbrough.co.uk](http://www.greenlanemiddlesbrough.co.uk)

We have recently updated our school website with a completely new design that is easy to navigate and optimised for tablets and smartphones. Please take the time to watch our Virtual Prospectus, which is accessible from the home page. Our website is also an important source of information, with a dedicated page for each year group and policy information.

If you wish to make a general enquiry, an email form is available to send a message directly to school.

# Twitter

Follow us on Twitter: @GLPrimary

The Academy Twitter account is used to post messages and photographs to celebrate children's achievements, showing exciting events happening around our school. It is also used to send messages to parents and carers.

View our Twitter feed to see some of the successes and accomplishments being made by children at Green Lane Primary Academy.

# ParentPay

ParentPay allows parents to make online payments quickly and securely for school meals, trips, activities and other fees.

Our intention is to move towards a totally cashless system of payment. If you have not already done so, we encourage you to register with ParentPay as soon as possible.

To register, follow the instructions on your activation letter provided by school. Simply top-up your ParentPay account online by debit or credit card.
