Autumn Term

Nursery Topics

Autumn 1

Our first topic is **'We're All Wonders'**. We will be thinking about our-self and our friends in positive terms. We will explore our qualities and discuss how we are wonderful in everything that we do! We will look at taking care of each other as well as things which are special to us. We will be exploring Nursery Rhymes during our **'Wriggle and Rhyme'** sessions and will be learning and reciting new Nursery Rhymes every Week.

Half term- WC 26th October 2020

Autumn 2

After the half term our topic will be **'Dark Nights and Bright Lights'**. We will be learning about celebrations using our senses to explore the world around us. During this topic we will explore the Outdoor Areas of Nursery and work hard to learn lots of wonderful songs.

Home Activities

1. Create your very own 'Wonder' helmet
2. Bring in a photograph of your house and the road sign.
3. Make your own 3D Nursery Rhyme character.
4. Use some items around your home to make instruments to tap out the rhythm of your favourite rhymes.
5. Find 10 objects from around your home and sort them by their colour.
6. Go on a nature walk, what can you see, hear, smell?
7. Look in the night sky and make a creative representation of it.
8. Make a decoration for our Nursery Christmas Tree.

Things to Remember:

- Face coverings must be worn at all times when inside the school building.
- Nursery Subs – (Weekly Donation). This voluntary contribution helps us buy perishable materials such as ingredients needed for special snack activities and to enable us to purchase extras to help make your child's nursery time more memorable and enjoyable.

This donation is **VERY** much appreciated!

- Easy 'child proof' clothing – Leggings and jogging bottoms are brilliant to encourage children to become independent.
- Please check the noticeboard and TV screen in the entrance for any messages or new letters.
