1. Aims

This policy aims to:

- **Provide background information** about the pupil premium grant so all members of the school community understand its purpose and which pupils are eligible
- Set out **how the school will make decisions** on pupil premium spending
- **Summarise the roles and responsibilities of those involved** in managing the pupil premium in school

2. Legislation and Guidance

This policy is based on the pupil premium 5, published by the Education and Skills Funding Agency (ESFA). It is also based on guidance from the Department for Education (DfE) on virtual school heads' responsibilities concerning the pupil premium, and the service premium.

3. Purpose of the Grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so they can reach their full potential.

4. Use of the Grant

Priorities are determined through careful analysis of outcomes and strategies delivered. These are exemplified in the Pupil Premium Statement which is informed by research evidence, such as the guide published by the Education Endowment Fund (EEF).

This approach is based on the following criteria:

- Support the quality of teaching, such as staff professional development;
- Provide targeted academic support, such as tutoring; and
- Tackle non-academic barriers to academic success, such as attendance, behaviour, and social and emotional support

Our use of the pupil premium and activities align with the DfE's 'menu of approaches' and takes into consideration:

- context of the school and the main challenges or barriers disadvantaged and vulnerable pupils face
- evidence of strategies to inform decisions on pupil premium spending
- a wide range of needs, taking group and individual needs into account
- how pupil premium interventions can be integrated into the curriculum

This will be delivered through providing:

- additional sets in KS2 to ensure smaller class sizes in English and Maths
- 1-to-1 or small-group support for specific interventions
- additional teachers and teaching assistants to deliver strategies
- mental health and wellbeing support
- funding for educational trips and visits
- funding for extra-curricular activities

We will publish our strategy statement on the school's use of the pupil premium in each academic year on the school website, in line with the DfE's [guidance on using the pupil premium](#) and using the templates on GOV.UK.

5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils in Reception to Y6.

Eligible pupils fall into the categories explained below.

5.1 Ever 6 free school meals

Pupils recorded in the most recent October school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent October census.

This also includes pupils with no recourse to public funds (NRPF). The government has permanently extended FSM eligibility to include children in all households with NRPF.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

5.2 Looked-after children

Pupils who are in the care of, or provided with accommodation by, a local authority (LA) in England or Wales for at least 1 day. Allocations will be provisionally based on the children looked-after data return in March of the previous year, and then confirmed in December of the current year based on the children looked-after data return in March of the current year.

5.3 Post looked-after children

Pupils recorded in the most recent October census who were:

- Looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order
- In state care from outside England and Wales before being adopted

5.4 Ever 6 service children

Pupils recorded in the most recent October census:

- With a parent serving in the regular armed forces
- Who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent October census
- In receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces

6. Roles and responsibilities

6.1 Head Teacher and senior leadership team

The Head Teacher and senior leadership team are responsible for:

- Keeping this policy up to date, and ensuring it is implemented across the school

- Ensuring all school staff are aware of their role in raising the attainment of disadvantaged pupils and supporting pupils with parents in the armed forces

- Reporting on the impact of pupil premium spending to the governing board on an ongoing basis

- Sharing insights into effective practice with other school staff

6.4 Virtual school heads

Virtual school heads are responsible for managing pupil premium funding for children looked after by a local authority, and allocating it to schools. Their responsibilities include, but are not limited to:

- Identifying the eligible looked-after children and informing the local authority

- Making sure methods for allocating and spending ensure that looked-after children benefit without delay
- Working with each looked-after child's educational setting to put together a personal education plan, agree how pupil premium funding will be spent to meet the need identified in this plan, and ensure the funding is spent in this way
- Demonstrating how pupil premium funding is raising the achievement of looked-after children

Virtual school heads are in charge of promoting the educational achievement of all the children looked after by the local authority they work for.
